Advertising

We know that advertising is the key to a great turnout at the sale. **Please start spreading the word!** We will be advertising on Facebook and a number of online forums. Outdoor signs will be posted around various communities closer to the sale.

Flyers will also be posted around the community and we would like to request your help in this task. If possible, please post a couple flyers around your community at the local libraries, schools, grocery stores...anywhere that young families may be looking. We can send out an email flyer that you can print or you can make arrangements to pick up some printed copies.
