Do you need a safe place for your baby to sleep but don't have a crib?

This research study will help you get a safe place for your baby to sleep and help you to learn more about how to keep your baby healthy and safe. If you are 36 or more weeks pregnant or have a newborn or an infant 2 months of age or less, and you don't have a crib, cradle, or bassinet for your baby, you may be eligible.

Please call us at (204) 451-0621 or email lwarda@wrha.mb.ca to find out more or sign up!

The next bookings are Tuesday and Friday mornings in April.

Allow 30-60 minutes for your appointment.
